

NITHA CHERIAN

Front End Developer

Profile

Enthusiastic and detail-oriented Front-End Developer with a strong foundation in web development technologies, including HTML, CSS, JavaScript, Bootstrap, and TypeScript. Recently completed a Bachelor's and Master's degree in Computer Applications, equipping me with a solid understanding of software development principles and practices. Passionate about creating responsive and user-friendly applications, I am eager to apply my skills in Angular to deliver innovative solutions. A quick learner with a collaborative mindset, I am excited to contribute to a dynamic team and further enhance my expertise in front-end development.
